Cooperation

## Participation at the HLPF Egypt's 2016 VNR

## 2016 Fact Sheet

- February 2016, Egypt launched its first ever Sustainable Development Strategy (SDS): Egypt Vision 2030
- May 2016, Government of Egypt (GoE) and United Nations Department for Economic and Social Affairs UNDESA co-organized a one-day Preparatory High Level Meeting aimed at informing the six African Member States, Egypt, Madagascar, Morocco, Sierra Leone, Togo, and Uganda on how best to prepare and conduct voluntary national reviews
- All six countries highlighted that their VNRs in most cases will address mainstreaming, integration, three dimensionalities, the mapping of SDGs with respective national development plans or strategies, the institutional and policy changes, means of implementation, stakeholders engagement and partnership.
- In July 2016, Egypt submitted its first ever VNR

VISION OF EGYPT

# EGYPT'S 2018 VOLUNTARY NATIONAL REVIEW

## SUSTAINABLE DEVELOPMENT GOALS

# Egypt's 2018 VNR – Main Content Items

- Review Methodology
- Leaving No One Behind as an overarching Principle:
  - Policy-Enabling Environment
  - Reform Outcomes (Fostering Growth)
  - Progress towards the implementation of the 2030 Agenda (Goals, Targets and measurable KPIs)
  - The 5 SDGs of the year
- Challenges
- The way forward

Ministry of Planning,  
Monitoring and  
Administrative Reform

## Egypt's Preparation for 2021 VNR

## Getting ready for Egypt's 2020 VNR

- Periodical assessment of the outcome of the corrective and or preventive measures taken to overcome challenges
- Continuous enhancement of the programs and projects designed to address dire needs and challenges
- Hosting and participating in all conferences and workshops directly or indirectly related with the purpose of exchanging information and knowledge sharing
- Enhancing, disaggregating and digitizing data collection tools
- Studying the other countries' VNRs for a sense of a possible improvement

## Getting ready for Egypt's 2020 VNR

- Partnering with the international community, especially in knowledge-intensive development cooperation programs such as:
  - collection of the measured SDGs KPIs metadata and calculation methods,
  - Localizing the SDGs
  - Monitoring and evaluation
  - SDGs costing exercises
  - Finance for development

## Getting ready for Egypt's 2020 VNR

- Joining forces with the civil society and the private sector to achieve certain development goals
- Building capacity and raising awareness among the various stakeholders nationwide
- Identifying roles and responsibilities among the various actors to accelerate implementation of the 2030 agenda
- Setting timed numerical targets based on accurately calculated baselines and in accordance with the international benchmarks
